

MEET THE BOARD

With so many members, it is not easy to get to know every representative, associate, and service partner.

"Meet the Board" is a new addition to the HIRA website that gives readers the chance to learn a little bit about our elected board, including how their time is spent in and out of the office.

For this profile, meet Chris Haynes. He has been in the rep business for over 30 years and has been active in HIRA since 2005. He now serves as a Representative Director on the HIRA Board.
